(iv) subject to the limitations set forth herein, engaging in any and all other lawful acts or activities, and exercising all such powers, rights and privileges applicable to not-for-profit corporations organized under the NPCL, in furtherance of accomplishing the foregoing charitable, scientific and educational purposes.

(b) Notwithstanding any other provision of this Certificate of Incorporation to the contrary, nothing contained herein shall authorize the Foundation to establish, operate, lease, or maintain a hospital, a home care services agency, a hospice, or a health maintenance organization, or to provide a comprehensive health services plan, as defined and provided for by Articles 28, 36, 40 and 44, respectively, of the New York State Public Health Law.

FIFTEENTH: No trustee, director or officer of the Foundation shall have any personal liability to the Foundation or its members for damage resulting from any breach of such trustee's, director's or officer's duties as a trustee, director or officer of the Foundation: provided, however, that this Article FIFTEENTH shall not eliminate or limit the liability of any trustee, director or officer: (a) if a judgment or other final adjudication adverse to such trustee, director or officer establishes that his or her acts or omissions (i) were in bad faith or involved intentional misconduct or a knowing violation of law or that such trustee, director or officer personally gained in fact a financial profit or other advantage to which he or she was not legally entitled, or (ii) violated Section 719 of the NPCL, unless the NPCL is amended or supplemented to so limit or eliminate such liability, or (b) to the extent that such personal
liability is otherwise required by, or can not otherwise be eliminated in accordance with, the NPCL.

**SIXTEENTH:** The Foundation shall, to the fullest extent permitted by the NPCL, indemnify any present or former trustee, director, officer; employee or agent of the Foundation or the personal representatives thereof, made or threatened to be made a party in any civil or criminal action or proceeding by reason of the fact that such trustee, director, officer, employee or agent, or his or her testator or intestate, is or was a member, trustee, director, officer, employee or agent of the Foundation or, at the request of the Foundation, served any other organization, entity or other enterprise in any capacity, to the full extent and in all such circumstances as shall be permitted under the NPCL, and all such indemnified costs and expenses incurred shall be advanced by the Foundation pending the final disposition of such action or proceeding. Such required indemnification shall be subject only to the exception that no indemnification may be made to or on behalf of any trustee, director, officer, employee or agent in the event and to the extent that a judgment or other final adjudication adverse to the trustee, director, officer, employee or agent establishes that such trustee's, director's, officer's, employee's or agent's acts were committed in bad faith or involved intentional misconduct or a knowing violation of law or that such trustee, director, officer, employee or agent personally gained in fact a financial profit or other advantage to which he or she was not legally entitled (provided, however, that indemnification shall be made upon any successful appeal of any such adverse judgment or final adjudication). The Foundation shall have the power to purchase and maintain insurance to indemnify the Foundation, its members, trustees, directors, officers, employees and agents of the Foundation, and other persons otherwise entitled to indemnification, to the full extent and in such circumstances as is permitted under the NPCL. No indemnification shall be made under this Article SIXTEENTH if such indemnification would be inconsistent with the provisions of the Foundation's By-Laws, a resolution of Foundation's member(s) or Board of Trustees or other proper corporate action, or, the provisions of Sections 4941 through 4945 or Section 4958 of the Code, as any such of the foregoing may be in effect at the time of the accrual of the alleged cause of action asserted in the threatened or pending action or proceeding, which prohibits or otherwise limits such indemnification.

**SEVENTEENTH:** All references herein to the Code are to the Internal Revenue Code of 1986, and shall be deemed to include both amendments thereto and corresponding statutory provisions of future United States Internal Revenue Laws which supersede the Code or particular provisions thereof.

**EIGHTEENTH:** The Secretary of State of New York is hereby designated as agent of the Foundation upon whom process against it may be served. The post office address to which the Secretary of State shall mail a copy of any process against the Foundation which is served upon him is:
